Guideline for paying membership fee in KFUMs Tennis Club

In this guideline, you will find a guided tour through the club administration system KLUBMODUL for creating a membership profile and paying membership fee in KFUMs TennisClub.

The administration system language is Danish so translations of the formulas and tables to English are provided in the relevant places below. The prices might not be up 2 date, please check the system for correct info

Create a user profile in KLUBMODUL

To become a member of KFUMs Tennis Club you must have a profile in our administrative system KLUBMODUL. To create a profile do the following:

- Go to <http://kfum-tennis.klub-modul.dk/>
- In the lower left corner click Opret profil (create profile).
- Fill out the formula with your personal contact data.
- Below the formula click Opret profil (create profile) to create a membership profile in

the system.

The user name (brugernavn) and password is important to remember, since you need to use these for booking of courts and participating in events etc. later on.

Payment of membership fee

To pay membership fee you need to log in with your membership user name and password.

Log in

If you are not already logged in go to <http://kfum-tennis.klub-modul.dk/> and log in with you user name and password in the formula in the lower left corner and press login her (log in here).
